CO.FL.2023.E_V1

Program:

18h - 19h: Harnessing Exoskeletons in ALS care (presentation)
19h - 20h: Holistic ALS Management (open discussion round)

Registration and access:
effik.doclift.com

How do I register for the event?

Please go to effik.doclift.com by either following the **link** or by scanning the **QR code**.

By **signing in for the first time** on this page via your **SwissRx** or **NeuroNews/DocLift** account, you **automatically sign up** for the event. **Creating a DocLift account** on this page will also **automatically sign you up** for the event.

Once signed up, you can add the event to your **calendar** by clicking the  button on the right and choosing your preferred option:

 **Apple Calendar**

 **Google (online)**

 **Office 365 (online)**

 **Outlook**

 **Outlook.com (online)**

(please note, that the event will not be automatically added)

How do I access the event?

Please go to effik.doclift.com by either following the link or by scanning the QR code and sign in again.

Here, you can access the event by either clicking the **first point on the agenda** or by clicking the **Live** button, which becomes visible once the event starts.

Please note that you need to be present for at least 80% of the event to receive the certificate for participation.
